CODE OF CONDUCT

Members of the American Amusement Machine Association (AAMA) agree to conduct their business in an ethical, professional, respectful and responsible manner. We do so mindful of a set of core beliefs that are a guide to ensure we engage with our members, customers and communities with fairness and integrity.

We recognize and accept the responsibility of ensuring all the services and products we manufacture, distribute, support, and operate adhere to the following tenants:

1. We commit to ensuring our businesses meet all applicable safety standards and codes.
2. We conduct business and customer interactions honestly and fairly.
3. We comply with all local, state and federal laws and regulations pertaining to our businesses.
4. We honor all intellectual property rights of our members.
5. We abide and comply with the By-laws of AAMA.
6. We will not knowingly manufacture, sell, support or acquire new amusement games in the United States that do not meet a standard of performance that allows a player a fair chance of succeeding with every game played.

Players Can Expect:

- A player's skill can improve with practice and experience.
- A player's skill influences the outcome of the game.
- AAMA FEC Owner/Operators will ensure players are presented with age appropriate amusement games.

about AAMA

The American Amusement Association is a not for profit, 501(c)6 organization representing the manufacturers, distributors, part suppliers, and location/operators for the coin-operated amusement industry, through legislation, education, and information, and industry promotion. At AAMA you get a seat at the table with the industry's foremost thought-leaders. You're encouraged to get involved and contribute to the conversations shaping our association and industry. Here, it's understood "we" are so much smarter than "me".

our MISSION

To make the industry better through collaboration, education, advocacy, and networking. We never stop playing!

A letter from our BOARD PRESIDENT

Dear AAMA Members,

It's an incredibly exciting time to be part of the American Amusement Machine Association. The movers and shakers in our industry, the innovators, leaders, manufacturers, distributors, suppliers, and location-based entertainment centers and operators belong to this association. Together, we've made remarkable progress over the past year.

Our membership grew by an impressive 17%, a reflection of the energy and engagement that make AAMA such a vital force in our industry. We completely reimagined the Annual Gala, moving it to the DFW area and creating an unforgettable experience at the Warwick. By popular demand we are returning to the Warwick in 2026 and the event that promises to outshine last year's success. It's become a must-attend showcase for networking, education, and celebration across our community.

Equally inspiring is the wave of members stepping into leadership roles, chairing committees, joining our board, and contributing their time and expertise. This Board and volunteer team are hard at work expanding member value and building an association that truly supports every corner of the entertainment ecosystem.

I'd also like to thank our staff who are working hard every day for you. When I think of where we are today, I'm confident we are poised for growth, gratitude, and momentum.

Finally, I want to personally thank each of you for your dedication, your contributions, and your friendship. This is an extraordinary community, and we're proving that together, we are stronger than ever.

PS-We've saved you a seat at the table and are inviting you to bring a friend!

Warm regards,
Beth Standlee

A letter from our EXECUTIVE VICE PRESIDENT

The value of any organization usually comes down to one essential ingredient: the people involved. At AAMA, we are blessed with a large group of dedicated members possessing a selfless willingness to work together for the good of the industry. They're not in it just to help themselves; they're in it to make this industry better for everyone involved.

Why? Why would people from separate, often competing companies eagerly spend their time, energy, and treasure to advance a common cause?

I believe it's because being a member of the AAMA is about more than just affiliation; it's about belonging to an intimate, dynamic, and forward-thinking community. Our members are part of this small but fierce collective that drives innovation, sets industry standards, and champions the value of the amusement industry. The worth of membership extends far beyond individual benefit - it's about the power of coming together as a united force to do what's best for the greater good.

You've read the quote, "If you want to go fast, go alone; if you want to go far, go together." There's power in community; a fact AAMA members choose to embody and celebrate.

There's an energy present when we come together that unites, excites, and inspires. We are witnessing a heightened sense of purpose and commitment from members who want to make a difference; new leaders are willing to make personal sacrifices to help advance the mission of the association. I for one, can't wait to see where this group of motivated leaders takes us next.

Play more,

Pete

supporting children in need **SINCE 1983!**

The AAMCF sponsors fundraising events throughout the year and during Amusement Expo International and our Annual Meeting & Gala, with a portion of the proceeds going to children's charities. To date, the AAMCF has donated over \$2,000,000 to children's charities across the globe.

LIFETIME AD JOURNAL

The Lifetime Achievement Award Ad Journal honors an individual whose contributions have left a positive and lasting impact on our industry. A portion of the net proceeds from the ad journal goes toward children's charities, scientific research, and educational organizations. Since the first Ad Journal was published in 2014, the AAMCF has raised almost \$700,000 through this single initiative.

MEMORIAL SCHOLARSHIP

J. Richard Oltman is an industry icon who celebrated life as an accomplished operator, location owner, game designer, and all-around industry innovator. In keeping with his generous spirit, passion for the industry and focus on education, Richard's family partnered with the AAMCF to establish an annual \$5,000 scholarship in his name.

HONOR ROLL

The AAMCF Amusement Expo International Honor Roll recognizes members who support the AAMCF through their generous donations. Recognition is given through signage throughout the show and show directory, and badge ribbons for all the donor's team members to wear.

GALA & KEEN KID'S ARCADE

Starting in 2018, a Text to Give event is held during AAMA's Annual Meeting's Gala Dinner. Over the past two years, AAMCF has been able to raise almost \$50,000 through this event.

The K.E.E.N., (Kids Enjoy Exercise Now) Kids Arcade is held on the last day of our Annual Meeting. We invite the children and their families from K.E.E.N. to enjoy the latest and greatest games our manufacturer members displayed at the Annual Meeting Gala the night before.

THANK YOU TO OUR 2026 HONOR ROLL SPONSORS!

A letter from our AAMCF BOARD PRESIDENT

Greetings Friends,

On behalf of the American Amusement Machine Charitable Foundation (AAMCF), I am honored to share our continued commitment to supporting charities that uplift children and families through the power of play.

For more than four decades, AAMCF has proudly partnered with AAMA to channel the generosity of our industry into meaningful impact. Since 1983, we have contributed more than \$3 million to organizations that make a difference in the lives of children of all ages – because in our industry, we know that play is powerful, connection matters, and joy has no age limit.

Our mission is fueled by the dedication of our volunteer board, the leadership of our Executive Director, and the unwavering support of AAMA members who consistently show up with open hearts. Whether through the Honor Roll Fundraiser, special events, or individual giving, our industry continues to demonstrate that generosity is one of its greatest strengths.

As we look ahead to 2026, we remain focused on growing our impact, strengthening our partnerships, and ensuring that the spirit of fun that defines our industry translates into real support for the communities we serve.

We are deeply grateful to every company and individual who supports the Foundation. Your contributions extend far beyond dollars – they create hope, opportunity, and moments of happiness for children and families who need it most.

With sincere gratitude,

trevor@alan-1.com
alan-1.com

We opened a classic 80's arcade and soda bar in August of 2017 called Flynn's Retrocade. If you are in utah, please come check it out! Our favorite game is Atari's Star Wars--so naturally our first product is the Atari Star Wars Flight Yoke Controller. We've stayed true to the original design, but improved it by upgrading the nylon gears and thumb buttons with aluminum.

Our USB flight yoke adapter allows M.A.M.E. builders to use any Atari / Alan-1 flight yoke without cutting the harness.

Future products include deflection boards for WG6100 Vector monitors, unique WG6100 deflection board daughter boards that remove the bottle cap transistors from the monitor case and provide additional cooling, and anything related to CRT tubes. Please check out our dev blogs and schematic links to learn more.

Our arcade games division is now in full production. Our goal is to bring back the magic of the 1980's through innovation, fun gameplay, and friendly competition. A video game, more than anything, a game! Games make life more rewarding--especially when shared with friends and family.

We're passionate about making fun!

Location Trade Show Program

The AAMA Location Trade Show Program offers member companies a way to showcase their products and services within a Game Room layout at select industry trade shows.

Through this program, AAMA secures prime booth space within a dedicated Game Room pavilion, negotiates cost savings, and handles booth orders. Members can focus on connecting with new customers and expanding into fresh markets.

Participants benefit from enhanced visibility, convenient exhibit support, and a professional presence on the trade show floor without the hassle of individual show management. Visit coin-op.org for details.

Upward Entertainment Marketing provides fully managed, done-for-you digital marketing built specifically for:

- Family Entertainment Centers (FECs)
- Bowling centers, arcades, LBE venues
- Trampoline parks, amusement parks, multi-attraction venues

We handle the strategy, execution, and optimization—so you can focus on operations, staff, and guest experience.

- Local SEO & AI search visibility
- Google & Meta advertising
- Website optimization & conversion strategy
- Email & text marketing for repeat visits
- Ongoing strategy, reporting, and support

parental advisory system

GUIDE TO GAME CONTENT

The Parental Advisory System is a user-friendly system, endorsed by all sectors of the out-of-home amusement industry, members of Congress, and various child advocacy organizations, that allows consumers to quickly identify the content of arcade games.

The system uses a color coded, “traffic light” approach, so that even young children are able, with instruction from their parent(s), to make responsible game playing decisions.

Content is appropriate for game players of all ages.

May contain mild violence, suggestive themes, minimal blood or crude humor.

May contain strong language, sexual content or strong violence involving human characters resulting in blood and gore.
